

February 2019 PTO Newsletter

Note from the Chair:

Hello GCS families! Hope everyone had an enjoyable and relaxing Winter Break and MLK weekend. There is a lot going on at GCS for the duration of the school year. We will keep you posted with detailed information on our Facebook page and with Wednesday Flyers on our upcoming events.

Most importantly, our school desperately needs your participation with the **Family Economic Data Survey**. This survey is imperative in funding for our school for many different grants that could be available to us, such as integrating school lunches, and updated technology, playground equipment, and many other opportunities. Not to mention it is completely confidential. Your information is needed simply to give an accurate depiction of our student body demographic.

PTO members will be available Friday mornings after morning meeting (1/25-2/22) to facilitate participation of the above mentioned survey, but also to welcome and recruit parents and community members to be a part of our **Election Committee** to help with upcoming elections for our Board of Directors and Parent teacher Organization. In addition, a **School Leader Search Committee**, whom will be responsible for helping interview and add insight from the community on the best candidate to lead our great school. See you there! -Jamie Kochevar
