- Kimberley had emailed information from the Clear Creek BAC meeting. High school
- passing grade changed from 65% to 60% to meet nationwide passing standards.
- Discussed why Clear Creek was at 65%. Point, Evidence, Explain, Link (PEEL) for 7
- th
- and 8
- th
- grade English. Helps with the transfer from middle school to high school.
- There was an incident with a written threat at the high school/middle school. Law enforcement responded but Georgetown school was not notified. Georgetown should
- have been notified by Sheriff's Department and the School District. What did our
- Resource Officer know? Resource Officer duties are under the purview of the SAC.
- Recommendations passed to Kimberley for the next BAC meeting. Resource Officer to
- be notified as well.
- PTO Update. Doing well with fundraising. The dance was successful in both fundraising
- and community engagement. May will have Spirit Week, Teacher Appreciation Week,
- Book Fair, Coin Challenge, Talent Show, Art Show. PTO elections in April, 3 positions
- open.
- SLT Update. Used funds from school store and bought a tether ball set. School store is
- going well. SLT is asking other kids about what they would like to see in the store and

- store hours. Potential for them to get school swag. School store is looking for a glass
- display case. Was posted on PTO Facebook page.
- Fundraisers. Snackin' In the USA brought in some money but participation was low.
- Was easy but there was no presentation. Could be that we have done a fundraiser a
- month. Potential to bring back the plant fundraiser. Waiting for Best Grant information to
- come through. That money would be used for boiler, roof, and playground
- improvements. If grant is approved it would free up funds from 4a/4b for other purposes.
- Security. Will be brought up at BAC meeting. Will ask Resource Officer to notify school
- of incidents in the District. Outside/Inside cameras have been approved. Department of
- Homeland Security provided some funding.
- Uniform Improvement Plan (UIP). Still waiting to hear from State on recommendations
- or if they want more details. SAC will be notified once we hear from the State.
- Director Search. SAC made no recommendations outside of those that had been made,
- for questions to ask. SLT did a survey about what they want to see in a school leader.
- We need to be sure those results are given proper consideration in the search.
- Parent Representative. The SAC has an open position for a parent representative.
- Asked Stefanie Bartsch-Bottomley why she was interested. Stephanie is hoping to bring
- in an outside perspective to a school she has been a part of for a long time. Jessica
- made motion to add Stefanie as a parent representative to the SAC. Motion seconded.
- Kimberley Knox had approved via email. Motion passed.
- SAC Officers. Two year commitment for the SAC. It is not required that we stay in our
- positions, but is preferred for knowledge retention. Recorder is a rotating position.
- Next Meeting scheduled for May 14, 2019 at 6:30. Rescheduled for May 15, 2019 to
- accommodate Board Meeting.
- Deciding on a new curriculum is on hold until a Director/Principal is named. Awaiting
- State response to UIP before SAC can comment.

- Meeting adjourned 7:24 PM.
