

Letter of Interest

Georgetown Community School Board of Directors
504 Fourth Street
Georgetown, Colorado 80444

October 12, 2020

My name is Courtney Reynolds and I would like to take this opportunity to declare my interest in serving on the Georgetown Community School Board of Directors.

I have lived in Georgetown for the past 8 years. My children have started their elementary school career at Georgetown Community School and I could not have asked for a better school and community. It is one of the reasons we chose to live here. I have one child who is currently attending CCMS, one child who is in fourth grade at GCS, and a child who will attend GCS in the near future. I work at the Clear Creek County Library District where I get to help the community in a variety of ways and it is very rewarding.

I am passionate about not only my children's education, but the education of all children. I hope by being part of the School Board of Directors I can make a difference and contribute to making not only our school but our community even better. I believe I would be an invaluable member to this board because I love figuring things out, I am a problem solver and a fixer. I am well connected to our community and people are always looking to me to help them find information and other connections. I am very good at compartmentalizing my work life to my home life and feel like this is an excellent quality to have when being on any board. If elected I will take being a board member seriously and strive to continue fostering our current board members goals and aspirations.

Thank you for your time and consideration. I am looking forward to the election process and moving forward on joining the Georgetown Community School Board of Directors.
