

EARLY LEARNING CENTER AT GEORGETOWN COMMUNITY SCHOOL 2023-2024

LET'S GET READY FOR PRESCHOOL

WHEN CAN I ENROLL MY CHILD IN PRESCHOOL?

The enrollment process for preschool at all Clear Creek School District Early Childhood programs will begin in January 2023. The preschool application and online registration forms will be available for completion online.

Links to the forms will be accessible on our [webpage](#).

WHO CAN ENROLL IN PRESCHOOL?

Children must be: two and a half years to five years to register. Parents may complete the application process for their child as early as the semester prior to the start of the new school year.

WHAT IS UNIVERSAL PRESCHOOL (UPK)?

Beginning next school year (2023-24), the State of Colorado will fund at least 15 hours (half day) of preschool for Colorado children in the year before they enter kindergarten (age 4 by October 1, 2023). Qualifying four-year-old children may be eligible to receive funding for 30 hours (full day) of preschool. Additionally, children who are age three by October 1, 2023, and who meet eligibility criteria will receive funding for 10 hours of free preschool.

Parents must apply via the online UPK application. The UPK application will be live on January 17, 2023.

The link to the UPK application will be accessible on our preschool [webpage](#).
