

Georgetown Community School Board of Directors Candidate

Jenna Preston

My name is Jenna Preston and I am originally from upstate New York, where I received my BA in Mathematics from the State University of New York at Albany. My husband and I first moved to Denver in 2015, and then landed in Georgetown about a year later with our two very young children. They did attend GCS briefly at the time and I was able to spend a lot of time volunteering in my son's kindergarten classroom.

We spent the last few years in Asheville NC to be closer to family throughout the pandemic, but we are so excited to be back in Georgetown this year and we are eager to get involved. After living in many different corners of the country, we came to truly appreciate the small town, tight-knit community here. We now have three children, two of which currently attend GCS in the 4th and 1st grade. Our youngest child will start PreK at GCS this fall.

I am running for the Board of Directors because I would like to help support the school and the community overall. GCS has already had such a positive impact on my children in the short period of time they've been attending. They come home happy every day and love to recount everything they learned and experienced at school that day. I've always been passionate about working with children and serving my community, most recently volunteering as both a Court-Appointed Special Advocate (CASA) and a Girl Scout Troop Leader (and Cookie Manager!). I would be grateful for the opportunity to serve the GCS community on the board of directors.
